** This information is essential for tax reclaim through GiftAid. If you pay higher rate tax, you can claim the difference between the higher rate of tax (40 or 50%) and the basic rate of tax (20%) on the total 'gross' value of your donation to ICEH. For example, if you donate £100, the total value of your donation is £125 to ICEH. You can claim back £25 if you pay tax at 40% (£125 × 20%), or £37.50 if you pay tax at 50% (£125 × 20%) plus (£125 × 10%).*
